IN THE BEGINNING

As Lakota High School reflects back to the beginning of this decade, there have been many physical changes in the school district, and many different faces have passed through these doors. 1971 was a time of National and International upset. Locally, it was a very trying year. The students were very rebellious and it was a difficult time for students and the administration. Also, male students were faced with the possibility of going to Viet Nam. In 1971, a new principal, Mr. Demery Smith, was introduced to Lakota High School. At that time, Mr. Larry Irwin became the Assistant principal. Also, the "Legend" was placed in the hands of a new advisor, Mr. Robert Medlock.

While numerous teachers have come and gone through the decade, Lakota would like to recognize the following faculty members who have been on the staff since 1970: Mrs. Easter, Mr. Buhi, Mr. West, Mr. Hartman, Miss Workman, Mr. Woodrey, Mr. Baumhower, Mr. Baggett, Mr. Ross, Mrs. Hall, Mr. Medlock, Mrs. Spellmeyer, Mrs. Williams, and Mrs. Grandey.

IN THE MIDDLE

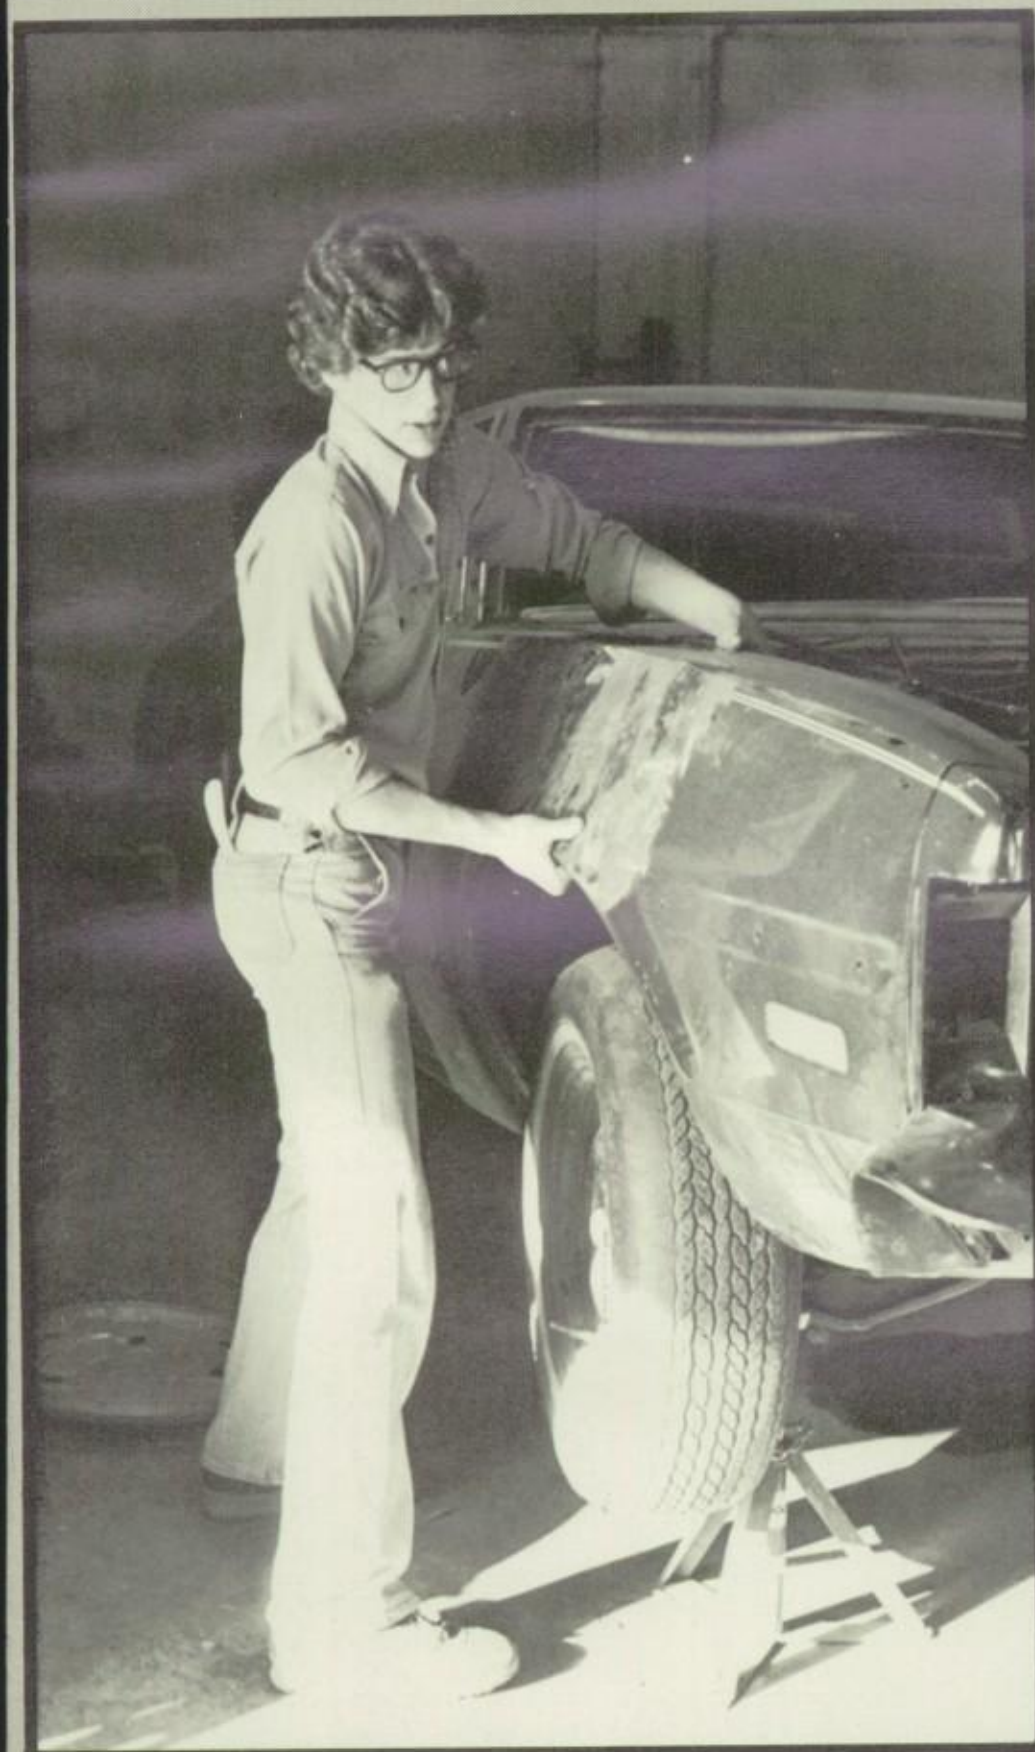

In 1973, Lakota experimented with split sessions and early dismissal buses where students were required to leave the premises of the school if they got out of class early. Both of these changes lasted only one year. Also in 1973-74 Lakota took on numerous physical changes. New additions included a new gymnasium & auditorium, a snack bar & a new lobby, new band facilities & industrial art facilities. The guidance department was shuffled around and the Board Office building was constructed. The 6th graders were incorporated into the Junior High School. The 1973-74 school year concluded with the excitement of a "streaker" at graduation.

THIS PAGE: Top Left: A full view of the Guidance Department. Top Right: Band members practicing for their next concert. Bottom: A look at the auditorium built in 1973.

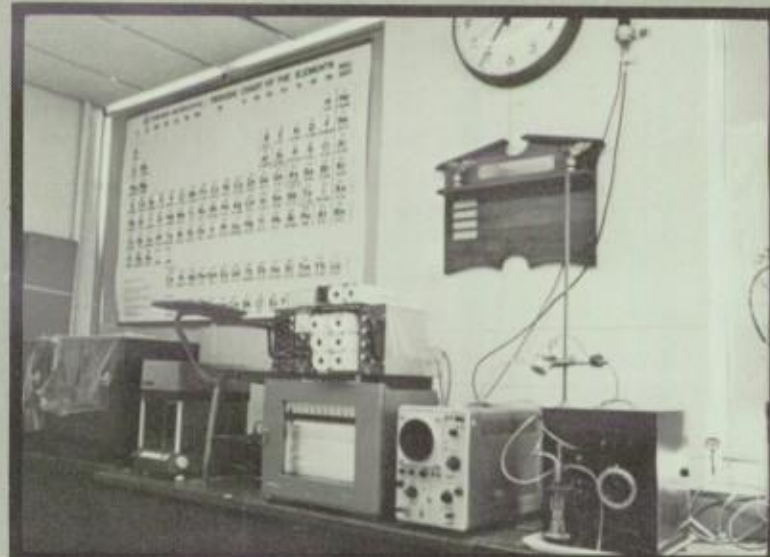

The year 1975 introduced many curriculum changes. Advanced Placement courses were added in English, Math, and History. The semester system of grading was replaced by the quarter system. Also, the Dee Russell Lee Joint Vocational School opened in 1975 bringing with it new opportunities for area students. The focus was on people in 1976 as Mr. Irwin became Lakota's new principal and Mr. Bartley became the Assistant principal; a full-time nurse was added to the staff; and a Lakota graduate, Miss Valerie Preston, was named Miss Ohio.

IN THE END

A major renovation took place during the summer of 1977. In the fall the school opened with a new media center and a court yard. Shortly thereafter, the new track & field facility was completed. In the spring of '77 Lakota held its first Jr./Sr. Prom at school and because of the class size, graduation was held away from school for the first time. The 1977-78 school year was the first year for the Freshman Building & Mr. Helsinger took over as the Associate principal of the building with Mr. Gadd as Assistant principal. The state recognized Lakota as a model district for teaching reading at the high school level in 1978. And in March of 1978, the state student council conference was held at Lakota. During the summer of 1978, new science labs & a science library were added to the school. At the close of 1979, Mrs. Helen Mitzel retired as Clerk/Treasurer of the Board of Education after 21 years of dedicated service.

Bottom L to R: Mr. Gadd, Assistant principal of the Freshman school; Mr. Helsinger, Associate principal of the Freshman school.

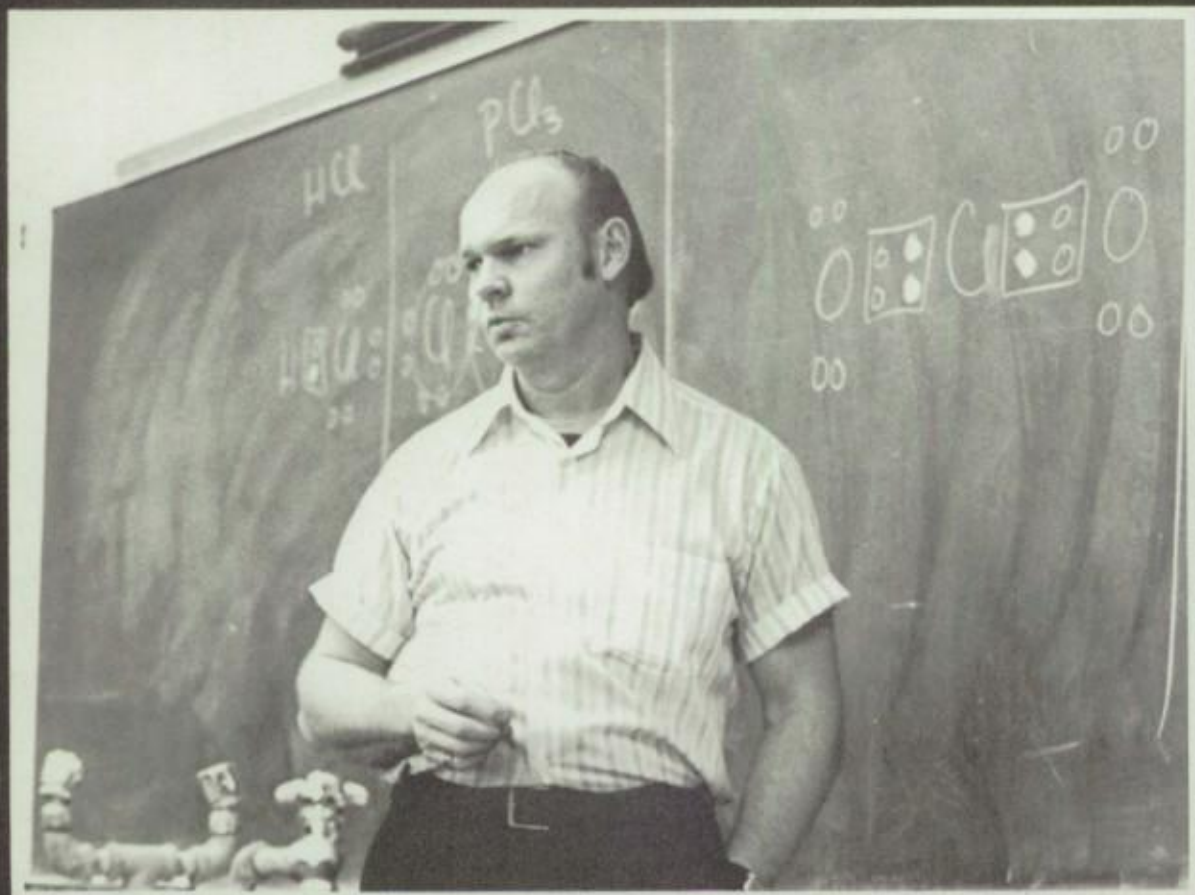

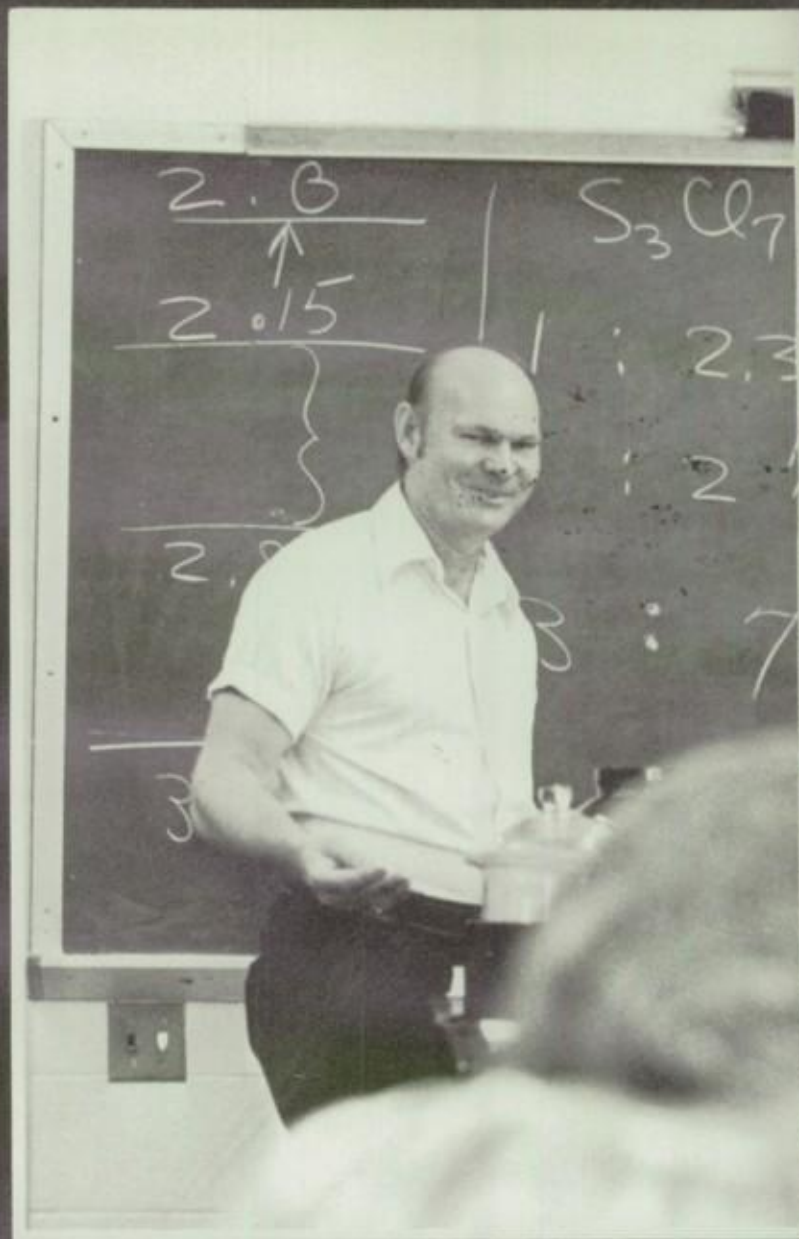

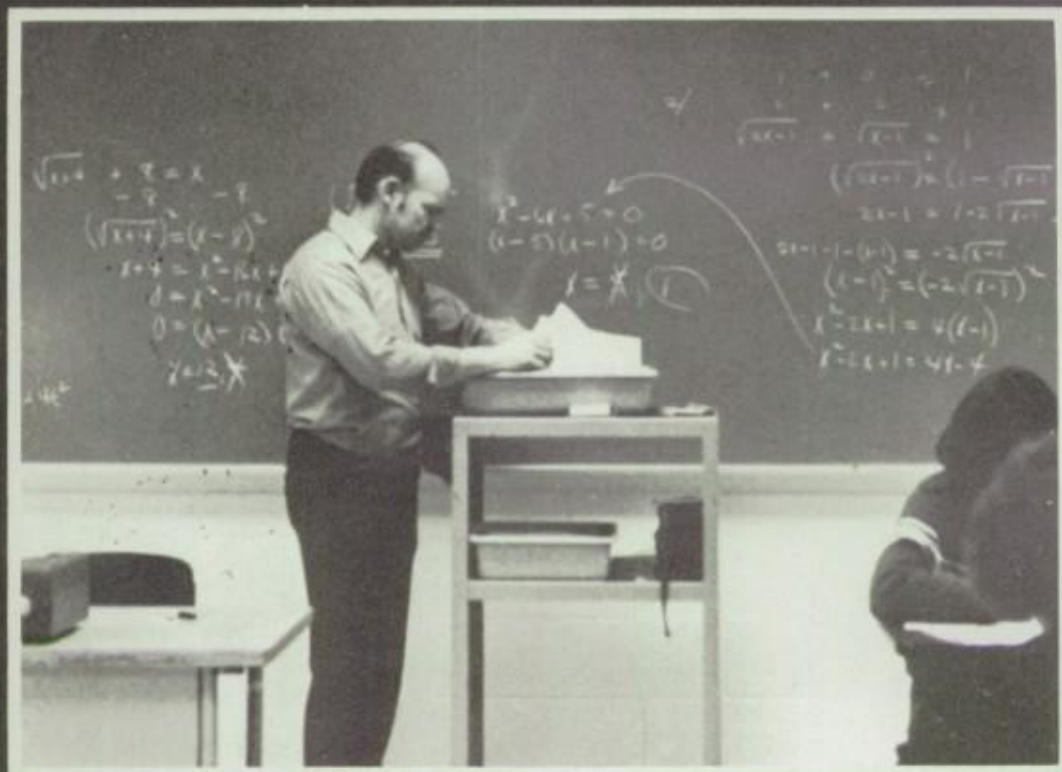

Each year, Lakota is marked by certain things like curriculum changes, dress code changes, snow days, physical changes to the building, different teachers, and more students than the year before. But at the same time, each year is different than the one before as things change and as different faces are seen in the halls. The year 1979 is the end of a decade, but at the same time it is a beginning for those just starting at Lakota and for those to come. The 70's were years we will always remember but even though we will remember them, they are over, and this is The Last Of The 70's.

The 1978-79 Legend Is Dedicated To Mr. Robert Medlock

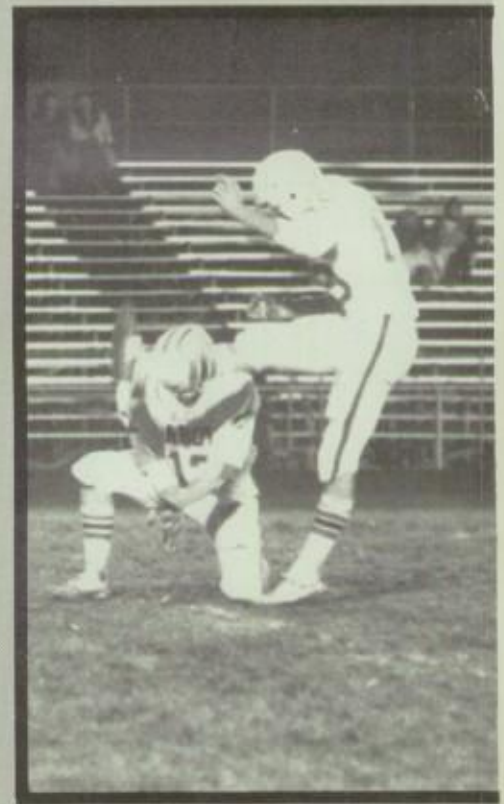

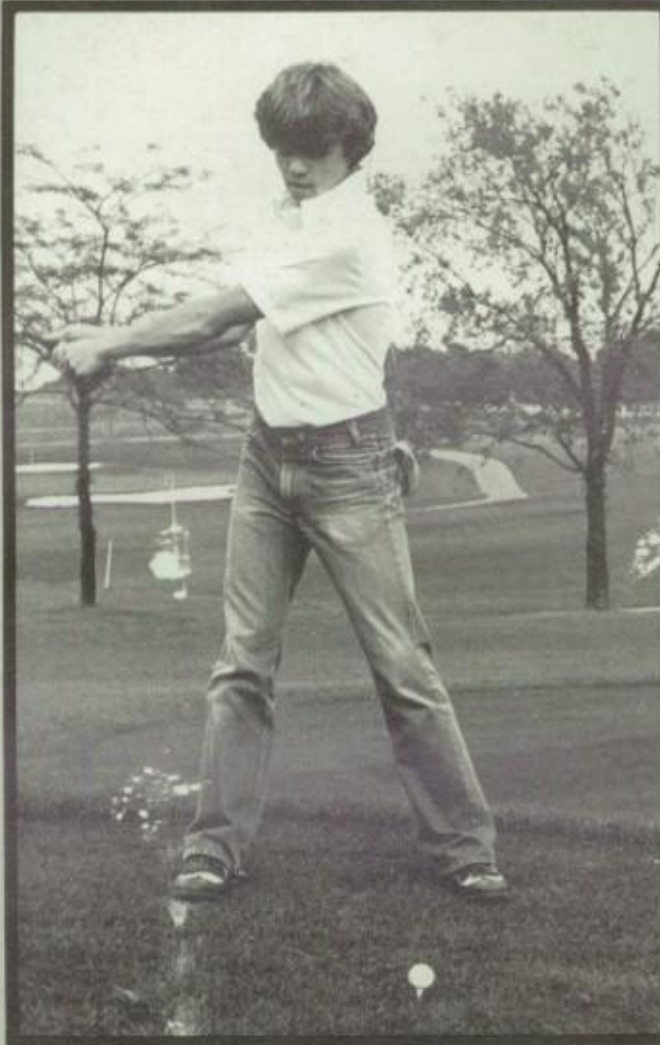

The students of Lakota and the Legend Staff have dedicated this book to Mr. Robert Melock in order to extend their appreciation to him for his dedicated service to the Yearbook from 1971-1978. Mr. Medlock resigned from being yearbook advisor at the conclusion of the 1977-78 school year. He presently coaches the Girl's Gymnastics team and he also holds the position as the head of the Science Department. He teaches 5 sections of Chemistry a day; a class which many college bound students are required to take.

Football Action

The 1978 season was a season of progress. The T-Birds played tough, but only came away with a victory over Fenwick and a tie with Talawanda. The T-Birds were slow starters all year. This, combined with several injuries to key players set the attitude for the season. The Freshman team will need this experience though, as they are getting closer to a spot on the Varsity team in the future.

Girls Volleyball Breaks Even

The 1978 Varsity Girls Volleyball team posted an 8-8 record over-all and 3-4 in the Mid-Miami League. The T-Birds played the season with a young starting team and bench consisting of four seniors, four sophomores, and two freshman.

Teamwork and consistant play were the keys in victories over Garfield, Franklin, Taft, Mason, Middletown, Talawanda, and Monroe. In the sectionals held at Cincinnati Gardens, the girls played well but lost to Indian Hills by scores of 3-15, 15-13, and 6-15.

Co-captains Lisa Miller and Becky Smith were named to the MML second team and MML honorable mention, respectively. Lisa Miller was also named the most valuable player of 1978. Teri Schwab, a senior substitute and starter at the season's end, was voted the most improved player.

The reserve girls volleyball team had a 6-9 record for the 1978 season.

Boys Varsity And Reserve Soccer

The 1978-79 Varsity Soccer Team had a very exciting season filled with action and skilled playing abilities. Several individual accomplishments were achieved during the season, giving the team the drive and spirit that was needed for a successful season. Sophomore Doug Perrigo broke his own school record by scoring 16 goals and Rick Sutton scored 15 goals.

The 1978-79 Reserve Soccer Team finished it's second and best season with a 5-2-1 record. Defensemen John Holowinko — goalie, and Mitch Oelker — center fullback showed outstanding abilities. Their joint efforts proved to be an asset as their opponents were held to an average of 1.5 goals per game. Offensively, Rick Mygrant and Doug Mayer led their team in scoring with 5 goals each.

The 1978-79 Varsity Basketball Team, led by Coach Larry Meibers, had high hopes for a successful year. Chosen in pre-season as top choice in the MML, the varsity team was most optimistic as the season began. But due to unforeseen difficulties the team suffered a disappointing and discouraging year. The eleven seniors that made up the majority of the team agree that this year was not one of their best. Finishing the season with a 7-12 record the T-Birds switched places with the predicted MML doormat, As Monroe leaped and (re) bounded its way to capture the title, Lakota took a very back seat.

The 78-79 girls basketball team finished the season with an impressive 14 and 5 record, tying with Monroe for first place in the MML. Despite a rash of early-season injuries, the T-Birds were 4 and 1 at Christmas tournament time. After a heartbreaking 4 point loss to Taft in the opening round, the girls rallied to defeat Fairfield by one in the consolation, avenging an earlier loss. One of the season highlights was knocking off Middletown, previously ranked number one in the state, 50-47. In the midst of an eight game winning streak, the T-Birds played an exceptional game to beat Talawanda 58-48 and clinch a share of the MML title. Although never getting untracked in their sectional game with Lebanon, the T-Birds kept it close and gained a wealth of pressure playing experience.

The girls were led by Co-captains Jana Cardinal and Laura Vradelis. Theresa Hawkins led the team in scoring, rebounding, and field goal percentage. Lori Stephens led in free throw percentage and guards Kim Miracle and Sandra Wiles were exceptional defensively. Individual honors were as follows: Theresa Hawkins — 1st team MML, All-District, Golden Triangle; Laura Vradelis — 2nd team MML, Honorable Mention District; Van Fleet — Honorable Mention MML. With nine veterans returning next season and with the experience and knowledge gained from the past season, the T-Birds will be tough to beat.

The gymnastics team, once again, had a winning record with a season total of 18-1. This kind of record cannot be achieved without long practice hours by both gymnasts and coaches (Robert Medlock and assistant coach George Losh). Without Med's constant dedication and Georg's time and effort, the gymnastics team would have been just another pretty face. It was a disappointment to the team to end a two year perfect season, losing to Colerain by only 1.3 points. This was the only meet that the varsity team lost in the last 3 years. The reserve team also had a successful season with only 1 loss. The freshmen surprised everyone — since it was the first year of gymnastics for most of them — with their hard work, effort and performance.

The team placed second in the Class III Districts Competition losing by only .2 points to Mother of Mercy. Practically all routines placed.

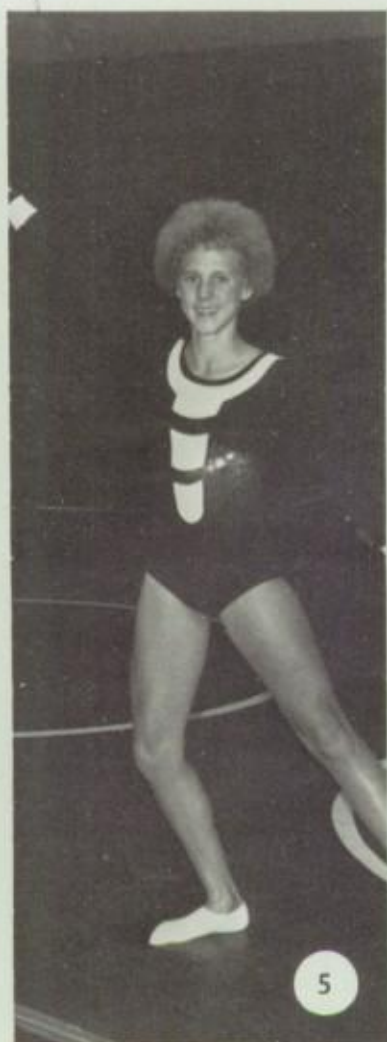

Gymnasts went to Class II District individually. Shari Brewer placed second on bars.

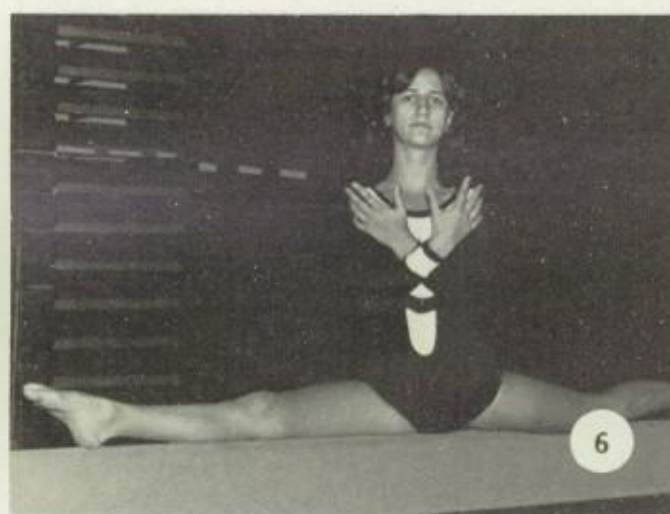

Gymnasts performing Class I routines went to Districts as team where they placed fourth. Tracey Long placed first on vault and fifth on floor. This qualified her for State Competition.

Girls Softball Ended Their Season With A 23-0 Record.

1979 LAKOTA GIRLS SOFTBALL TEAM: The girls softball team posted 23-0 record, won the Mid-Miami League, and won the Middletown tournament for the second year. During this undefeated season, the girls scored a total of 319 runs while allowing their opponents a total of 69 runs. Offensively the team was led by Theresa Hawkins with a batting average of .671, Kelly Adleta — .568, and Jana Cardinal — .500. Defensively, the team was outstanding. Monica Janning, Julie Wagner, Jana Cardinal, Jeannie Wright, Diane Wagner, Theresa Hawkins, Julie Graves, Jenny Burchell, Robin Whiles, and Sandra Wiles posted fielding averages of .900 or better.

BOYS VARSITY BASEBALL. This season was the year of the pitchers. Brent Chambers, Mike Lambertson, Dean Johnson, and Kevin Davis combined for a team E.R.A. of 2.84. Their efforts helped keep most of the games tight and exciting. Some of their fine efforts resulted in losses however, due to a lack of offensive support. As a team, the T-Birds hit only .205 led by Dan Zieverink's .281. Four league games and the sectional tournament game were lost by one run. These included two heart breaking losses to Lebanon (twice in extra innings), league Champs Fenwick, and to Forest Park when they scored 2 runs in the last inning to win. Big wins included Middletown, Edgewood, Mason (10 innings), Monroe (aided by Marlin Graden's grand slam homerun), and the season finale over Talawanda when Dan Zieverink hit a 2 run homer in the last inning. The team worked hard and hung tough throughout a satisfying 1979 season. Mike Gregerson was voted to the Cincinnati All-Star team.

1979 Reserve Baseball — M.M.L. Champs

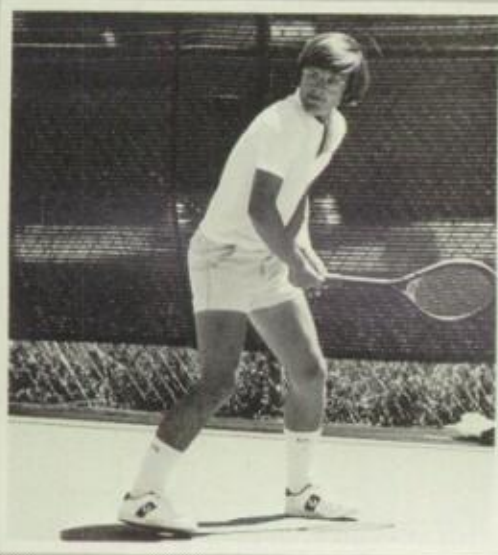

The Lakota Reserve Baseball Team finished with a very successful season record of 15-3 overall and a league winning 12-0 in the MML. First year coach Ken Baker was pleasantly surprised with the enthusiasm and baseball knowledge exhibited by the players. Lakota is one of the few schools in the area who have freshman boys on the high school reserve team. The team was comprised of eight freshmen, six sophomores, and three juniors. Hitting leaders for the T-Birds were Bruno Vogelsang (.320, 2HR), Dave Kagrise (.261), Dan Atwood (.417), Steve Thompson (.338, 26 RBI), Joe Vitale (.329, 3HR, 24 RBI), Tim Eldridge (.395), Craig Rollins (.275), Dana Cardinal (.286), Jeff Wagenknecht (.443, 2HR, 18RBI). The pitchers, mostly freshmen and sophomores, did an excellent job despite a general lack of experience. Dan Atwood was the leading hurler with a 6-1 record and a fine 2.18 ERA. He had 51 strikeouts in 45 innings. Other fine pitcher performances were turned in by Ben Vogelsang (4-0 3.00 ERA), Steve Lambertson (2-1, 3.00 ERA, 2 saves), Jerry Rub (2-0, 2.52 ERA, 39 strikeouts in 25 innings), and Dean Johnson (1-1, 1.07 ERA). The final team statistics were quite impressive. The team batting average was .316 while scoring 145 runs in 18 games and never suffering a shut-out. The pitching totals were a fine team ERA of 2.44 with 151 strikeouts in 132 innings. Congratulations to the Reserve Baseball Team for an exceptional year.

Lakota Boys Track Wins League Meet.

LAKOTA BOYS TRACK TEAM. The 1979 boys track team had an excellent year. The most outstanding accomplishment was winning the league meet. Lakota out scored it's nearest competitor, Lebanon by 10 points. Many relay and individual school records were broken. The mile relay team of Jay Farmer, Joe Stoken, James Warren, and Stew Fry set a new standard of 3:31.8 breaking the old record of 3:39.6. Another record broken was the 400 meter relay. The team of Tom Crist, Doug Perrigo, Joe Stoken, and Jeff Ross bested the old mark of 47 seconds by running the distance in 45.1 seconds. Jay Farmer established a new individual mark in the 400 meter dash by posting 52.2 seconds performance. Chuck McConnell set and reset pole vault records all season ending with a season best of 14 feet. Jeff Ross set two new school records one in the long jump with a jump of 21'9" and a new high jump mark of 7'. Special track awards were as follows: Most Dedicated: Keith Schriver. Most Improved: Chuck McConnell. Best First Year: Joe Stoken. Leadership: Tom Crist. Most Valuable: Jeff Ross.

Flowers For Algernon

Play by: David Rogers
Novel by: Daniel Keyes
Director: Larry Hagaman
Student Director: Karen Costello

Charlie Gordon played by Bruce Amrein is the story of a gentle, engaging young man who lived in a mental twilight. He understood that knowledge in itself was important. Charlie could read and write after a fashion, but he knew he wasn't nearly as bright as the people around him. Then Charlie met Algernon, a white mouse, who was brighter than Charlie.

So starts Charlie's road to adventure ...

National Honor Society

The National Honor Society began their activities for the year with two new student parties in which representatives from each sport and club told the new students about their organizations in order to get them involved in activities. Although the induction for new members was postponed because of snow, it went off smoothly in February. Other activities included singing Christmas carols at Good Samaritan Hospital, the Spring Banquet, and a picnic. At the graduation ceremony, Seniors and graduating Juniors wore yellow hoods over their caps and gowns to signify special recognition.

Student Council Members Are Involved In Many School Activities

Lakota's Student Council is one of the most active groups in school. One of its first undertakings of the year was the preparation of floats, spirit week, and the elections preceeding Homecoming. Leanne Johnson and Jim Wasson (top left), are Junior Student Council members. They were enjoying the dance that their organization sponsored. Dana Schurenberg (top right), a Senior representative, and Chris Coffing were voted Queen and King at the Homecoming ceremonies. The Mr. and Miss Lakota Dance was also sponsored by the Student Council. (Lower left), Senior representatives Maria Mcquillan, Sami Miller, Dana Schurenberg, and Matt Redder were chosen as candidates for Mr. and Miss Lakota. Contributions to The Neediest Kids of All helped buy two area families ham for their holiday meals. Student Council also collected money for Muscular Dystrophy, but the most popular and successful charity collection, however, was for the Ruth Lyons Christmas Fund. Nancy Heck and Mr. Stamp got the once in a lifetime chance to throw pies in each others' faces with the Student Body as witnesses. Other activities for the year included: sponsoring the room decoration contest at Christmas, sending five students to the OASC Conference, establishing the activity letter, and a banquet to honor the officers and representatives. (left) Senior Student Council representatives Sami Miller, Beth Mattes, and Dana Schurenberg helped keep the school spirit alive by performing with the Drill Team. (Lower Right) Junior representative Jim Wasson was one of Lakota's talented Drum Majors.

Many Students Show Interest In Spanish Club

Lakota's Spanish Club consists of all the students in the Spanish Classes. The Spanish teachers are Mrs. Johnson and Mrs. Schiller. The Spanish division is by far the largest of the Foreign Language Dept. Spanish students enjoyed such activities as eating out at a special restaurant and attending the International Folk Festival held at the Convention Center in Cincinnati.

Foreign Exchange Students

Seventeen year old Ricardo Calil from Sao Paulo, Brazil enjoyed his stay in West Chester during the third quarter and summer of 1979 as an exchange student. He appreciates the effort everyone made to make his visit enjoyable and would like to hear from his American friends after he has returned to Brazil. His address is: R. Gal. Goes Monteiro, 571; 05029 Sao Paulo, Brazil.

Cecelia Morales visited Lakota from San Salvador, El Salvador where she stayed with Linda Burchett and family. She loved the United States and plans to establish permanent residence here in the future as a bilingual secretary.

One Of Lakota's Very Active Organizations

Some of the activities for the year included a fruit sale, the National and State conventions, picnic, Fountain Square Exhibit, an appearance on the "Bob Braun Show", a banquet, a homecoming float, mammal identification, BOAC projects, public speaking, livestock exhibits, the Butler County and Ohio State Fairs, Farm Science Review, state camp, safety projects, and community service projects. FFA also participated in many contests. These included oil judging, dairy judging, horse judging, milk products contest, wool judging, and poultry judging. It is very evident that FFA is one of the most active organizations at Lakota High.

Senior D.E.C.A.

Students in the Distributive Education Clubs of America compete in varied events in the business field to gain knowledge and experience to achieve their goals in DECA and in their particular career choice. Lakota's DECA students exhausted the resources of the library, text books, simulation contests in class, classwork, and on-the-job skill all to prepare for district competition. They had 34 out of 36 students participate, and winners included: Laura Biddle (4th place), and Mike Little (5th place) in Job Interviews; Lori Stevens (5th place) and Jeni Chandler (2nd place) in Public Speaking; Rick Russell (3rd place) in Finance and Credit; Tim Brockman and Brian Wendt 1st place in Team Management; Marty Sapp (4th place) in Business Ownership Test; Mark Gerlaugh (4th place) in Free Enterprise; Darrell Minton (3rd place) in Petroleum Service; Cathy Mehl (1st place) and Jim Spelbrink (2nd place) in Food Service. Cathy Mehl was also 1st in the State competition in the Food Service competition and placed in the top eighth in the nation. Jim Spelbrink also won 10th in the State competition for Food Service. Kathy Fair, a junior, was honored this year as Miss Ohio DECA.

The COE program is designed to provide seniors with an opportunity to attend school and receive on the job training in clerical office occupations before graduation. It is a three-hour block program with such areas of study as Business English, Clerical Office Practice, Office Machines, Typing, Human Relations, and some special individual programs to meet the needs of the students. In addition to class time students work in the business community during the afternoon.

Guest speakers provide additional information on career opportunities as well as general information on current employment trends.

The students are members of an active club with elected officers. They participate in money making projects and service projects to the community. They prepare an Employer-Employee Appreciation Banquet held each spring to recognize their employers, parents and students in their class.

A Certificate of Completion is awarded by the State Department to all students who successfully complete the program requirements.

Center right: President Zoe McLaughlin delivers opening address at COE Employer-Employee Banquet held at David's Buffet to honor employers at the end of the school year.
Bottom right: Club Member Andrea Cash delivers special address on what COE has meant to the class during the year and also looks at the future.

Upper left: Lisa Hlebak and Julie Nichols are busy presenting awards to other COE students from activities during the year. Both students were named as recipients of the Outstanding COE students of the year awards.

Center left: A surprised Kim Weimer, the Outstanding Club Member of the Year, received her award from COE Coordinator, Miss Scott.

Junior Intensive Office Education (IOE) is a state vocational program for junior students interested in becoming secretaries upon graduation. Their course of study includes: Accounting, Business English, Shorthand, Advanced Typing and Lab. In addition to their course work, speakers from the business, community, and educational world visit weekly with the students. Monthly field trips to executive offices also complement their course work. Activities for the group include: participation in Homecoming, Christmas and Spring Awards Banquets, bake sales, car washes, decal sale, carnation sale on Valentine's Day, School Secretaries Recognition Day and hostessing for the Career Extravaganza.

The Senior IOE is a continuation of the training began in the Junior year. It is a four-hour block program and is directed like an office simulation. Subject areas covered are: Business English, Shorthand II, Business Law, Secretarial Office Procedures, Office Machines and Human Relations.

Guest speakers are invited to give first-hand information concerning job opportunities. A field trip to Columbus to tour the Governor's offices, the General Assemblies and Supreme Court are part of the years activities.

The students give a traditional tea for the graduates of the program. The graduates share information concerning their jobs, interviews and experiences in the work world. They answer questions the students ask.

The Senior IOE students work toward Charm Awards in Shorthand Theory, Dictation and Filing.

Banquets are held various times throughout the year along with club meetings and fund raising activities. The group elect their own officers to transact business for them.

A Certificate of Completion from the State Department of Education is issued to each student who completes the Junior and Senior IOE with good attendance at the end of the second year. Surveys show 87 percent of students graduated from the block program are employed in the field of their training and enjoy good salaries and fringe benefits. Mrs. Naomi Samples is the instructor.

Radio — WLHS 89.9 FM On Your Dial

WLHS, Lakota's 10-Watt radio station run by students had a very successful and busy year. Activities included live coverage from Union Township Days, the Butler County Board of Elections on election day, and the Union Township at the Crossroads meeting. Contests sponsored by the station included the Halloween Evil Scream Contest, the Valentine's Day Contest; in which a lucky listener received a telephone call from the group Heart, the Easter Egg Hunt, and the Monster & Prom Package Give-Aways. WLHS gave listeners the opportunity to enjoy sports events by providing live coverage of the home football games, home basketball games, the MML Baseball Games, and the MML Track finals. Members of the WLHS staff were successful in obtaining interviews with Dick Clark, Red Skelton, Joe Paterno, and Gene Perla, the jazz musician. "Santa Claus Abroad", a Christmas comedy special, and "Snouts", a radio drama provided listeners with original entertainment.

The Science Club kept busy during the 1978-79 year by conducting fund raising projects and special campaigns. They raised the necessary funds to ship a laser to California for expensive repairs. Tomatoes and Christmas plants from Lakota's own greenhouse were sold to raise money for the club. Science club members also spent many hours on letter writing campaigns for microtome to purchase science equipment and the donation of science equipment and models. Money was spent by the club to purchase supplies and equipment for the greenhouse so that they will be able to raise even more money next year.

The 1979 Legend was put together by a group of very hard working students. The Legend Co-Editors were Karen Strong and Nancy Heck. The Sports section was done by Karen Plummer, Pam Norvell, and Beth Janos. Judi Jefferies and Holly Ream produced the Senior section, and Myra Zimmerman, Jane Jefferies, and Holly Ream did the underclass sections. The Activities section was done by Vicki McMinn. Donna Barnhill was responsible for the Ad section and was a big help with Winter Sports. Debbie Losekamp was the typist for the Legend Staff. The school photographers were Dave Collins and Laura Biddle. The Legend Sponsor was Carol Scott. The Legend Staff would like to extend their Thanks and Appreciation to Mr. Heck for the time he dedicated to the artwork of the book. (P.S. Thanks, Mike!)

The Administration, Faculty, And Student Body Extend Their Appreciation To Mrs. Helen Mitzel

Mrs. Helen Mitzel retired this school year from her position on the Board of Education. Mrs. Mitzel started with the Lakota District in 1957 when it was called the Liberty-Union School District. She served as assistant Clerk-Treasurer for one and one-half years and Clerk-Treasurer for twenty years. It is with highest appreciation that Mrs. Helen Mitzel is recognized for her dedicated work in this school district and in the community.
